[EPA-HQ-OPP-2010-0014; FRL-9356-7]

Product Cancellation Order for Certain Pesticide Registrations

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: This notice announces EPA's order for the cancellations, voluntarily

requested by the registrants and accepted by the Agency, of the products listed in Table 1

of Unit II., pursuant to section 6(f)(1) of the Federal Insecticide, Fungicide, and

Rodenticide Act (FIFRA), as amended. This cancellation order follows a January 11,

2012 **Federal Register** Notice of Receipt of Requests from the registrants listed in Table

2 of Unit II. to voluntarily cancel these product registrations. In the January 11, 2012

notice, EPA indicated that it would issue an order implementing the cancellations, unless

the Agency received substantive comments within the 180 day comment period that

would merit its further review of these requests, or unless the registrants withdrew their

requests. The Agency received comments on the notice but none merited its further

review of the requests. Further, the registrants did not withdraw their requests.

Accordingly, EPA hereby issues in this notice a cancellation order granting the requested

cancellations. Any distribution, sale, or use of the products subject to this cancellation

order is permitted only in accordance with the terms of this order, including any existing

stocks provisions.

DATES: The cancellations are effective [*insert date of publication in the Federal Register*].

III. Summary of Public Comments Received and Agency Response to Comments

The Agency received comments on the notice but none merited its further review of the requests. The comments received were general comments on pesticide regulation and were not specific to the products in this order. For this reason, the Agency does not believe that the comments submitted during the comment period merit further review or a denial of the requests for voluntary cancellation.

IV. Cancellation Order

Pursuant to FIFRA section 6(f), EPA hereby approves the requested cancellations of the registrations identified in Table 1 of Unit II. Accordingly, the Agency hereby orders that the product registrations identified in Table 1 of Unit II. are cancelled. The effective date of the cancellations that are the subject of this notice is [*insert date of publication of this cancellation order in the Federal Register*]. Any distribution, sale, or use of existing stocks of the products identified in Table 1 of Unit II. in a manner inconsistent with any

of the provisions for disposition of existing stocks set forth in Unit VI. will be a violation of FIFRA.

V. What is the Agency's Authority for Taking this Action?

Section 6(f)(1) of FIFRA provides that a registrant of a pesticide product may at any time request that any of its pesticide registrations be cancelled or amended to terminate one or more uses. FIFRA further provides that, before acting on the request, EPA must publish a notice of receipt of any such request in the **Federal Register**. Thereafter, following the public comment period, the EPA Administrator may approve such a request. The notice of receipt for this action was published for comment in the **Federal Register** issue of January 11, 2012 (77 FR 1679) (FRL-9328-3). The comment period closed on July 9, 2012.

VI. Provisions for Disposition of Existing Stocks

Existing stocks are those stocks of registered pesticide products which are currently in the United States and which were packaged, labeled, and released for shipment prior to the effective date of the cancellation action. The existing stocks provisions for the products subject to this order are as follows.

The registrants may continue to sell and distribute existing stocks of products listed in Table 1 of Unit II. until *[insert date 1 year after publication of the Cancellation Order]*, which is 1 year after the publication of the Cancellation Order in the **Federal Register**. Thereafter, the registrants are prohibited from selling or distributing products listed in Table 1, except for export in accordance with FIFRA section 17, or proper disposal. Persons other than the registrants may sell, distribute, or use existing stocks of products listed in Table 1 of Unit II. until existing stocks are exhausted, provided that such sale,

distribution, or use is consistent with the terms of the previously approved labeling on, or that accompanied, the cancelled products.
